

Dear Family Member,

Halloween is coming soon and on the horizon are fall final exams. Halloween is a great opportunity to surprise your student and fall final exams are one of the most stressful experiences your student will have at college. You can’t be there for these events, but you can give them a boost and let them know you are thinking about them. Here’s how:

Our ECU Ambassadors are sponsoring and distributing Halloween treat packages and fall final exams packages for our students. For those who have never sent a college care package, the impact on your student is amazing. We guarantee your student will love them and the sales help fund many of our organization’s initiatives!

We have designed a great set of care packages for each event. Now all you need to do is choose the package options you want to send and fill out the free encouragement cards we’ve included. Your card will be the first thing they see when they open their care packages. So, let’s get to it! Here are your choices:
